

January 31, 1974

SENATOR WARNER: That would seem indispensable.

SENATOR CHAMBERS: I support Senator Warner's bill and I think that we ought to advance it.

PRESIDENT: Any further discussion of the bill? Senator Warner, do you have any closing on your bill? Senator Warner is now closing. Attention please.

SENATOR WARNER: Well again Mr. President, the bill only is for the purpose of designating the site for continuing planning purposes. Again, the bill would not determine whether or not a structure, in fact, would be constructed, but it would insure that other alternatives for that area are not developed until such time that the museum is constructed. So I would hope that the bill would be advanced.

PRESIDENT: Question is, shall LB704 be advanced from General File to E & R initial, all those in favor of advancing the bill will vote aye, all those opposed will vote no. The motion is to advance LB704 from General File to E & R initial.

(end belt #8)

(start belt #9)

While they are voting, would the Speaker come forward please? Senator Proud? Once again, have you all voted? This is just for the advancement of LB704. Clerk will record.

CLERK: 29 ayes, 1 nay Mr. President, the remainder not voting.

PRESIDENT: The bill is advanced.

CLERK: Mr. President, a message on the desk.

PRESIDENT: Read the message on the desk.

CLERK: From the Executive Office, January 31. (Read Message)

SPEAKER: LB609, Senator Clark. The Clerk will read.

CLERK: (Read LB609)

SPEAKER: Senator Clark?

SENATOR CLARK: Well Mr. President, I move that LB609 be moved to E & R initial. The only thing that this bill does is change the frequency of the meeting dates on cities of the first class and their Council. As the law now states, they have to meet on the first Monday and then the Council can set the dates that they meet, but not less frequently than every two weeks. Now what this does is to have the Councils sometimes meet three times a month, when there is no need for the meeting. All the bill will do is say twice a month and they can set special meetings anytime they want by statute now. And that is all the bill does. I would move that the bill be moved to E & R for initial.

SPEAKER: The motion has been made to advance the bill, is there any discussion? If not, are you ready for the question? The question is, shall the bill be advanced? All those in favor vote aye, those opposed vote no. Have you all voted? Clerk will record.

CLERK: 27 ayes, no nays Mr. President.

SPEAKER: The bill is advanced. The next bill is LB652, Senator Moylan, Clerk will read. Is Senator Moylan here? Yes, Clerk will read.
